

PAST CAPTAIN'S MESSAGE

TO ALL MEMBERS OF MAESTEG GOLF CLUB

As you know I will be formally handing over the Captaincy tomorrow, March 23rd, to Ray Carter.

Because of the situation we find ourselves in I have not had the opportunity to thank you all for the support you have given me over the past year. However please know that I have been very proud and honoured to captain the club, and that I have received wonderful support and assistance from everyone I have encountered in the past year, be they club members or employees.

It is obvious that we are all going to face great hardship in coming months, and nothing can be done to alter that. Those individuals who have the responsibility of managing the club, year after year, are doing their best to ensure that when things finally get back to normal we will be able to resume the game we all love so much with as little disruption as possible. Please give all of them your unstinting support in the next few months, and respect the decisions they make, however harsh or difficult they may be, in the knowledge that they are acting in all our best interests.

Please also give all your support to Ray Carter, the Captain's Committee and all the different Section Captains for their year of office. None of them could have imagined that this would happen to them when they agreed to take office, but they are all sticking with it for the sake of the club.

Congratulations to Ray on becoming Captain of Maesteg Golf Club. He has been a member for much longer than I and has shown in the past that he is prepared to work tirelessly to organise events and support the club in general. I know how much being Captain means to him. He has been a wonderful vice-captain and will be a great Captain whatever the circumstances.

Thank you all.

avid Gregson

Immediate Past Captain
